

# Parent Auxiliary Council

The mission of the **Name of Center** Parent Auxiliary Council (PAC) is to:

- enhance and support the educational experience at **Name of Center**
- develop a closer connection between school and home by encouraging parental involvement
- serve in an advisory role to improve the learning and caring environment at the **Name of Center**
- provide volunteer and financial support.

The PAC is a parent council comprised of the executive committee and program chairs. This team **meets regularly** to coordinate the strategic direction and big-picture ideas for the PAC and collaborates with school and development officers. Elections are held in the early fall.

The following members of the PAC are dedicated parents whose individual passions, backgrounds, education, and skills facilitate community growth and resources that foster excellence at the **Name of Center**
